

Academic Endocrinologist

The Department of Medicine, Queen's University, invites applications for a Geographically Full-time appointment in the Division of Endocrinology and Metabolism. The incumbent will assist the Division in fulfilling its academic and clinical missions within the Department of Medicine.

Candidates must be eligible for licensure by the College of Physician and Surgeons of Ontario and preference will be given to those who either hold or are eligible for certification by the Royal College of Physicians and Surgeons of Canada in Internal Medicine with fellowship training in Endocrinology.

In addition to a major focus of providing exemplary clinic service, the successful applicant must demonstrate the ability to teach at both the undergraduate and postgraduate level, engage in collaborative research and contribute to the administrative functions of the Department. It is also expected that they will exhibit strong potential for innovative and scholarly research. The successful applicant must demonstrate strong leadership skills and is expected to provide evidence of excellent communication skills, a strong academic portfolio and the ability to work in a collaborative environment.

Members of the Department of Medicine enjoy a competitive compensation package, including a generous benefit plan. Academic rank will be commensurate with experience.

Applications are to include a letter summarizing expertise, qualifications and accomplishments relevant to the position together with a curriculum vitae and the names and full contact information of three referees. The University invites applications from all qualified individuals. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: "I am a Canadian citizen / permanent resident of Canada"; OR, "I am not a Canadian citizen / permanent resident of Canada". Applications that do not include this information will be deemed incomplete. Complete applications are to be directed to: Dr. S.L. Archer, Professor and Head, Department of Medicine, c/o Jennifer Andersen, Etherington Hall, 94 Stuart Street, Kingston, Ontario K7L 3N6. Email: jennifer.andersen@queensu.ca.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact: Mrs. Jennifer Andersen email: jennifer.andersen@queensu.ca or call 613-533-6000 ext 77765.

Review of applications will commence immediately and will continue until the position is filled
