Metamorphosis
An educational event for Nurse Practitioners, Physicians and Interprofessional Colleagues
Thursday, March 27th, 2014
Donald Gordon Centre, 421 Union St., Kingston, ON
http://healthsci.queensu.ca/cpd/programs/metamorphosis_2014

PROGRAM AGENDA
8:00  Registration & Breakfast (Mix & Mingle)
9:00  The Zbar Visiting Lecturer
      Efficient Approach to Syncope? – Dr. Vu Kiet Tran
10:00 Prescribing Practices for 2014: a fresh perspective – Dr. Linda Levesque
10:45 Nutrition Break
11:15 Hematology: common blood disorders in primary care – Dr. Jack Hilton
11:45 Chair Yoga – Ms. Bea Doyle (Yoga instructor)
12:00 Lunch
1:00  Radiology: choosing the appropriate techniques – Dr. Annette McCallum
1:15  Nutrition Break
2:05  Workshops (Choose your top 2)
2:20  A - Ocular Red Flags – Dr. Ashley Brissette
     B - Ups and Downs of Thyroid Disorders – Dr. Pendar Farahani
     C - Restless Legs - Dancing in Bed – Dr. Sean Taylor
3:20  Workshop C - Restless Legs – Dancing in Bed – Dr. Sean Taylor
     Workshop A - Ocular Red Flags – Dr. Ashley Brissette
     Workshop B - Ups and Downs of Thyroid Disorders – Dr. Pendar Farahani
3:30  Nutrition Break
4:05  Program Close

PROGRAM FACULTY
Diane Batchelor, RN (EC), MScN, NP-PHC, CON (C)
NP, Queens Family Health Team and the School of Nursing, Queen’s University (Planning Committee)

Richard V. Birtwhistle, MD, MSc, CCPE
Prof., Depts. of Family Medicine and of Public Health Sciences, Queen’s University (Planning Committee)

Ashley Brissette, MD
Resident, Dept. of Ophthalmology, Queen’s University

Lorraine Chick, RN (EC), MScN, NP-PHC
NP, North Kingston CFHC, Kingston, ON (Planning Committee)

Kim Doxtator, RN (EC), MScN, NP-PHC, BScN
NP, Brighton Quinte West Family Health Team, Brighton, ON (Planning Committee)

Bea Doyle
Certified YTT and Chair Yoga Instructor, Kingston, ON

Pendar Farahani, MD, MSc, DABIM
Asst. Prof., Depts. of Medicine, Div. of Endocrinology and Metabolism and of Public Health Sciences, Queen’s University

Megan Fleming, RN (EC), MScN, NP-PHC
NP, Rideau Family Health Team, Ottawa, ON (Planning Committee)

Marie-Claude Goyer, RN (EC), MScN, NP-PHC
NP, Maple Family Health Team, Kingston, ON (Planning Committee)

Jack Hilton, PhD, MD(CEM), FRCPA
Internal Medicine, Trenton Memorial Hospital, Trenton, ON

Linda Levesque, BScPharm, MSc, PhD
Asst. Prof., Div. of Public Health Sciences, Queen’s University

Annette McCallum, MD, FRCPA
Head and Asst. Prof., Dept. of Diagnostic Radiology, Queen’s University

Karen Smith, MD, FACEM, FACP, FRCPA
Asst. Prof., Depts. of Physical Medicine and Rehabilitation and of Pediatrics; Assoc. Dean, Continuing Professional Development, Queen’s University (Planning Committee)

Vu Kiet Tran, MD, CCFP (EM), FCFP, MHSc, MBA
Emergency Physician, University Health Network, Toronto, ON

Seán Taylor, MD, FRCPA
Asst. Prof., Dept. of Medicine, Div. of Neurology, Queen’s University

Kelly Vanier, MD, FRCPA
Asst. Prof., Dept. of Pediatrics, Queen’s University; Community Pediatrician, Belleville, ON

CREDITS
This event is an Accredited Group Learning Activity as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, and approved by the Office of Continuing Professional Development, Queen’s University for up to 3 Section 1 credits. This program meets the accreditation criteria of the College of Family Physicians of Canada and has been accredited for 5.25 CFPC MAINPRO-M1 credits.
Monday, March 31st, 2014
Glaxo Wellcome Clinical Education Centre, 31 George St., Queen’s University
http://healthsci.queensu.ca/cpd/programs/wound_care_clinic_day_2014

Spend the day learning from world-renowned wound care expert Dr. Garry Sibbald as you assess various complex wounds. Space is limited and will fill quickly.

PROGRAM AGENDA
8:30  Registration & Breakfast
9:00  Opening Remarks
9:15  Patient Assessment and Treatment Plans Discussion (2 patients)
10:30 Nutrition Break
11:00 Patient Assessment and Treatment Plans Discussion (2 patients)
12:30 Lunch
1:30  Patient Assessment and Treatment Plans Discussion (2 patients)
3:00  Program Wrap Up
3:30  Program Close

Recommended Prerequisites: √ Queen’s Wound Care Clinic Day  √ Experience in Wound Care  √ Completed another accredited Wound Care Program

Work in small groups to assess and create treatment plans for complex wound care patients with the guidance of Dr. Garry Sibbald.

PROGRAM AGENDA
8:30  Registration & Breakfast
9:00  Opening Remarks
9:20  Small Group Patient Assessment Rotation (3 patients)
10:20 Nutrition Break
10:50 Small Group Patient Assessment Rotation (2 patients)
11:30 Reassess First Patient and Create Treatment Plan
12:00 Lunch & Preparation for Presentations
1:00  Presentation of Treatment Plan and Group Discussion
3:00  Program Close

11:30 Reassess First Patient and Create Treatment Plan
12:00 Lunch & Preparation for Presentations
1:00  Presentation of Treatment Plan and Group Discussion
3:00  Program Close

Your challenging cases wanted!
The Office of Continuing Professional Development requests submissions of real cases for potential review by Dr. Sibbald during each day. There are two options for submitting your cases:

1. Submit photos and/or video clips of difficult-to-manage wounds, concealing the patient’s identity.

2. Submit a short description (4–5 sentences) describing the wound history of a patient who would be a willing volunteer to attend the event and receive an examination and consult with Dr. Sibbald (attended by program registrants).

Descriptions may be faxed to the CPD Office at 613-533-6642 or e-mailed to cpd.che@queensu.ca; please do not include patient names. The planning committee will select cases to address a variety of learning opportunities.

If your patient is invited to attend the program, further follow-up will be required, such as a release of consent and contact information.

For further information, please call the CPD Office at 613-533-2540.

PLANNING COMMITTEE
James Deacon, MD, CCFP, FCFP
Family Physician, Quarry Medical, Kingston, ON

Jolene Heil, RN, ET, MCIScWH(c)
Advanced Practice Nurse, CNS Wound Care, Providence Care, Kingston, ON

R. Gary Sibbald, MD, FRCP(C) (Med, Derm), MACP, FFAAD, MEd, FAPWCA
Professor, Department of Medicine and Director of Continuing Medical Education and Professor, Dalla Lana, School of Public Health, University of Toronto

Karen Smith, MD, FABEM, FACRM, FRCP(C)
Associate Professor, Departments of Physical Medicine and Rehabilitation and of Pediatrics; Associate Dean, Continuing Professional Development, Queen’s University

This event is an Accredited Group Learning Activity as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, and approved by the Office of Continuing Professional Development, Queen’s University for up to 5 Section 1 credits. This program meets the accreditation criteria of the College of Family Physicians of Canada and has been accredited for 5 CFPC MAINPRO-M1 credits.

PROGRAM FACULTY

Cabri Cabrera, MD, MSc, MRCPsych
Associate Professor, Department of Psychiatry, Queen’s University

Tara Baetz, MD, FRCPC
Assistant Professor, Departments of Oncology and of Medicine, Queen’s University

Michael Beyak, MD, FRCPC
Associate Professor, Departments of Medicine, Division of Gastroenterology and of Biomedical and Molecular Sciences, Queen’s University

Heidi Cramm, PhD
Assistant Professor, School of Rehabilitation Therapy, Division of Physical Therapy and the Department of Psychiatry, Queen’s University

Pendar Farahani, MD, MSc, DABIM
Assistant Professor, Departments of Medicine, Division of Endocrinology and Metabolism and of Public Health Sciences, Queen’s University

John McCans, MD, FRCPC
Professor, Department of Medicine, Division of Cardiology, Queen’s University

Andrea Moore, MD, FRCPC
Assistant Professor, Department of Pediatrics, Queen’s University

Angela Nobel, MD, FRCPC
Assistant Professor, Department of Pediatrics, Queen’s University

Denis O’Donnell, MD, FRCPC
Professor, Departments of Medicine, Division of Respiratory and Critical Care Medicine and of Physical Medicine and Rehabilitation Therapy, Queen’s University

Rupa Patel, MD, CCFP, FCPC
Assistant Professor, Department of Family Medicine, Queen’s University

Karen Smith, MD, FABEM, FACRM, FRCPC
Associate Professor, Departments of Physical Medicine and Rehabilitation and of Pediatrics; Associate Dean, Continuing Professional Development, Queen’s University (Planning Committee)

Tracie Smith Beyak
Owner, BN4MK and BN Athletic Training, Kingston, ON; Canfit Pro Trainer, FFS, PFS, PDS, CFPLA, Quest UK

Arawn Therrien, MD, CCFP
Assistant Professor, Department of Family Medicine, Queen’s University (Planning Committee)

Ashley Waddington, MD, FRCS
Assistant Professor, Department of Obstetrics and Gynaecology, Queen’s University

James Wilson, BScHons, MSc, MD, FRSCS, FACS
Associate Professor, Department of Urology, Queen’s University (Planning Committee)

DIRECTIONS

The Queen’s School of Medicine Building is located on Arch Street at the corner of Stuart Street (one block west of Barrie Street). Paid parking is available at various locations in the area, including the parking lot behind Carruthers Hall (enter off Arch St.) and the underground lot across from Kingston General Hospital and the City lot behind the courthouse (enter from West Street).

CREDITS

This event is an Accredited Group Learning Activity as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, and approved by the Office of Continuing Professional Development, Queen’s University for up to 4.75 Section 1 credits. This program meets the accreditation criteria of the College of Family Physicians of Canada and has been accredited for 4.75 CFPC MAINPRO-M1 credits.
The Queen’s University Faculty of Health Sciences’ Office of Continuing Professional Development and Palliative Care Medicine, in cooperation with the Department of Family Medicine invite you to participate in the small-group CME course.

Educating Family Physicians in Palliative Care

Thursday, April 24th – Sunday April 27th, 2014
Donald Gordon Centre, 421 Union St., Kingston, ON

A FREE COURSE!
This course is funded by the Ministry of Health, Kingston Area Long-term Care Division. There is no registration fee, only a $100 deposit which will be returned when you complete the course.

ELIGIBILITY
Family physicians living in the following counties are eligible to participate: Frontenac, Lennox and Addington, Hastings-Prince Edward, Lanark, Leeds and Grenville, Northumberland, Haliburton, Peterborough, Victoria, and Durham.

FINANCIAL SUPPORT
You may claim up to a maximum of $600 for expenses related to attending this course, such as travel, accommodation and the cost of a locum to cover your practice. If you are a rural physician, you may be eligible for additional funds from the OMA (to which you must apply directly) to offset additional expenses.

REGISTRATION
Registration is limited to 10. Registrations are accepted based on the order in which they are received and on distribution of positions among the eligible counties. Your registration will be confirmed. A deposit of $100 is required. The deposit will be returned if your registration is not accepted, or at the end of the course.

CREDITS
This program meets the accreditation criteria of the College of Family Physicians of Canada and has been accredited for 27.5 MAINPRO-M1 credits.

Topics Covered Include …
- An overview of palliative care community resources and palliative care initiatives
- Pain management (bring your cases)
  Nausea
  Dyspnea
  Bowel care
  Malignant bowel obstruction
- Palliative care emergencies
  Palliative sedation
  Family issues
  Ethical and legal issues
  Grief and bereavement
- Palliative chemotherapy
  Meaning, values and quality of life
  Spiritual care
- Anxiety, agitation and delirium and visualization
  Palliative care for non-malignant illnesses
- Challenges to the hospice physician

PRE- AND POST-PROGRAM REQUIREMENTS
To fulfill MAINPRO-C credit requirements, participants must complete a needs assessment before the program and a reflective evaluation and a preceptorship (approximately a one-day commitment) following the program.

The views expressed in this program are that of the facilitators and planning committee and do not necessarily reflect those of the Province.

Dermatology
Friday, May 2nd, 2014
Delta Kingston Waterfront Hotel, 1 Johnson St., Kingston, ON

http://healthsci.queensu.ca/cpd/programs/dermatology_day_2014

PROGRAM AGENDA

8:15 Registration & Hearty Breakfast

  – Dr. Ruth MacSween
9:25 The A. William Austin & Amos Friend Memorial Lecture
  Skin Lesions and Rashes in Family Practice – Dr. Christie Freeman
10:15 Nutrition Break
10:45 It’s an Emergency Doctor - I am Losing my Hair!
  – Dr. Ruth MacSween
11:10 Enhancing your Dermatology Clinical Skills – Dr. Christie Freeman
11:35 Cosmetic Treatments: what to tell your patients
  – Dr. Christie Freeman
12:00 Program Close

PROGRAM FACULTY

David Beach, MD, CCFP, FCFP
Associate Professor, Department of Family Medicine, Queen’s University; Family Physician, Prince Edward County Family Health Team, Picton, ON (Planning Committee)

Christie Freeman, MD, CCFP, DipPDerm, MSc
Family Physician, Derm Clinic, Peterborough, ON (Planning Committee)

Ruth MacSween, MB, Bch, FRCPC
Dermatologist, Limestone Dermatology, Kingston, ON

Karen Smith, MD, FABEM, FACRM, FRCPC
Associate Professor, Departments of Physical Medicine and Rehabilitation and of Pediatrics; Associate Dean, Continuing Professional Development, Queen’s University (Planning Committee)

CREDITS
This event is an Accredited Group Learning Activity as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, and approved by the Office of Continuing Professional Development, Queen’s University for up to 2.5 Section 1 credits. This program meets the accreditation criteria of the College of Family Physicians of Canada and has been accredited for 2.5 CFPC MAINPRO-M1 credits.
A Practical Review for Health Care Professionals in Primary Care

1st Annual Department of Medicine Day
Wednesday, May 14th 2014
Four Points by Sheraton, 285 King St., E., Kingston, ON

http://healthsci.queensu.ca/cpd/programs/department_of_medicine_first_annual_cme

MORNING PROGRAM AGENDA
8:00 Registration & Breakfast
8:20 Opening Remarks – Dr. Stephen Archer
Chairs Drs. Jim Bosovski & Ross Morton
8:30 Session I: The Year in Review
Prednisone Duration for COPD Exacerbation (5 vs 14 days)
– Dr. Michael Fitzpatrick
“RePOOPulating” the Gut for C. difficile – Dr. Elaine Petrof
Choosing Wisely: reassurance after diagnostic testing with a low pretest probability of serious disease – Dr. Chris Smith
Drugs for Migraine: preventive pharmacologic approaches for episodic migraine in adults – Dr. Stuart Reid
Bariatric Surgery for Weight Loss and Glycemic Control in Non-morbidly Obese Adults with Diabetes – Dr. Johanna Murphy
Chairs Drs. Michael Fitzpatrick & Elaine Petrof
9:15 Session II: Plenary Session
Diagnosis and Therapy for Community Acquired Pneumonia
– Dr. Gerald Evans
The Best Modality for Detecting Colon Cancer? Occult Blood, CT Colonoscopy or Colonoscopy – Dr. Lawrence Hookey
Biological Therapies for Rheumatoid Arthritis – Dr. Mala Joneja
Secondary Prevention of TIA and Stroke in Primary Care – Dr. Albert Jin
A Practical Approach to Diagnosis of Anemia – Dr. Jill Dudebout

10:30 Nutrition Break
Chair Dr. Anne Ellis
10:50 Session III: What’s New - What’s Hot?
3 Useful Medical Apps for the iPad and iPhone – Dr. Jeffrey Wilkinson
Renal Artery Denervation: a new treatment for refractory systemic hypertension – Dr. Ross Morton
TAVI and ASD Closure: percutaneous treatments of structural heart disease – Dr. Darrin Payne
Contemporary Management of Atrial Fibrillation - When to Ablate?
– Dr. Damian Redfearn
Thyroid Nodules - When to Worry? – Dr. Pendar Farahani
New Treatment for Hepatitis C: the game is about to change!
– Dr. Jennifer Flemming
Increased Dietary Phosphate: a risk factor for cardiac disease and hidden consequence of reduced sodium in processed foods
– Dr. Jocelyn Garland

CONTINUING PROFESSIONAL DEVELOPMENT

This event is an Accredited Group Learning Activity as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, and approved by the Office of Continuing Professional Development, Queen’s University for up to 7.5 Section I credits. This program meets the accreditation criteria of the College of Family Physicians of Canada and has been accredited for 7.5 CPD2 MAINPRO-M1 credits.

CREDITS
Rozita Borici-Mazi, MD, FRCPC
Asst. Prof., Depts. of Medicine, Div. of Allergy and Immunology and of Pediatrics, Queen’s University
James Boseovski, MD, FRCPC
Asst. Prof., Dept. of Medicine, Div. of General Internal Medicine, Queen’s University
Jill Dudebout, MD, FRCPC
Asst. Prof., Dept. of Medicine, Div. of Hematology, Queen’s University
Anne Ellis, MD, FRCPC
Asst. Prof., Depts. of Medicine, (Chair) Div. of Allergy and Immunology and of Biomedical and Molecular Sciences, Queen’s University
Gerald Evans, MD, FRCPC
Prof., Depts. of Medicine, (Chair) Div. of Infectious Diseases and of Biomedical and Molecular Sciences and of Pathology and Molecular Medicine, Queen’s University
Pendar Farahani, MD, MSC, DABIM
Asst. Prof., Depts. of Medicine, Div. of Endocrinology and Metabolism and of Public Health Sciences, Queen’s University

PROGRAM FACULTY
Stephen Archer, MD, FRCPC
Head and Prof., Dept. of Medicine, Div. of Cardiology, Queen’s University (Planning Committee)
Adrian Baranchuk, MD, FRCPC
Assoc. Prof., Depts. of Medicine, Div. of Cardiology and of Biomedical and Molecular Sciences, Queen’s University

12:00 Session IV: The National Medico-Political Landscape: report from the CMA President-Elect – Dr. Chris Simpson
12:15 Session V: Lunch with the Speakers
1:00 Session VI: Break-Out Sessions (Choose your top 3)
A - Management of End of Life Issues: helping your patients to die well
– Dr. Ray Viola
B - Choosing Antihyperglycemic Therapy for your Patients with Type 2 Diabetes: getting to target – Dr. Robyn Houlihan
C - The Office of a General Internist: top 5 challenging cases – Dr. Phillip Wattam
D - Oral Anticoagulation and Antplatelet Therapies: a practical guide to new agents
– Drs. Adrian Baranchuk & David Lee
E - Management of Atopy and Anaphylaxis: is there an allergy epidemic?
– Dr. Rozita Borici-Mazi
F - Outpatient Management of Congestive Heart Failure: the role of specialized clinics and new therapeutic approaches in keeping your CHF patient out of hospital – Dr. John McCans
G - Outpatient Management of COPD: can specialized clinics and new therapeutic approaches prevent hospitalization of COPD patients? – Dr. Denis O’Donnell

2:00 Rotate to Second Workshop
3:00 Nutrition Break
3:30 Rotate to Third Workshop
4:30 Session VII: Debate
“Be it Resolved that the Physical Exam has no Value in Family Practice”
– Drs. Ross Morton & Chris Smith
5:15 Concluding Remarks – Dr. Stephen Archer

continued...
1st Annual Department of Medicine Day
A Practical Review for Health Care Professionals in Primary Care

continued...

PROGRAM FACULTY
Michael Fitzpatrick, MD, FRCPC, DABSM
Prof., Deps. of Medicine, Div. of Respiratory and Critical Care Medicine and of Biomedical and Molecular Sciences, Queen’s University

Jennifer Flemming, MD, FRCPC
Asst. Prof., Dept. of Medicine, Div. of Gastroenterology, Queen’s University

Jocelyn Garland, MD, FRCPC
Asst. Prof., Dept. of Medicine, Div. of Nephrology, Queen’s University

Lawrence Hookey, MD, FRCPC
Assoc. Prof., Dept. of Medicine, Div. of Gastroenterology, Queen’s University

Robyn Houliden, MD, FRCPC
Prof., Dept. of Medicine, Div. of Endocrinology and Metabolism, Queen’s University

Albert Jin, MD, FRCPC
Asst. Prof., Deps. of Medicine, Div. of Rheumatology and of Biomedical and Molecular Sciences, Queen’s University

Mala Joneja, MD, FRCPC
Assoc. Prof., Dept. of Medicine, Div. of Rheumatology, Queen’s University

David Lee, MD, FRCPC
Assoc. Prof., Deps. of Medicine, Div. of Hematology and of Oncology, and of Pathology and Molecular Medicine, Queen’s University

John McCans, MD, FRCPC
Prof., Dept. of Medicine, Div. of Cardiology, Queen’s University

A. Ross Morton, MD, FRCPC, FRCPC, FACP
Prof., Dept. of Medicine, Div. of Nephrology, Queen’s University

Johanna Murphy, MD, FRCPC
Prof., Deps. of Medicine, Div. of General Internal Medicine and of Family Medicine, Queen’s University

Denis O’Donnell, MD, FRCPC
Prof., Deps. of Medicine, Div. of Respiratory and Critical Care Medicine and of Physical Medicine and Rehabilitation Therapy, Queen’s University

Darrin Payne, MD, FRCSc
Asst. Prof., Dept. of Surgery, Div. of Cardiothoracic Surgery, Queen’s University

Elaine Petrof, MD, FRCPC
Assoc. Prof., Deps. of Medicine, Div. of Infectious Diseases and of Biomedical and Molecular Sciences, Queen’s University

Damian Redfearn, MD, FRCPC
Assoc. Prof., Dept. of Medicine, Div. of Cardiology, Queen’s University

Stuart Reid, MD, FRCP
Asst. Prof., Dept. of Medicine, Div. of Neurology, Queen’s University

Christopher Simpson, MD, FRCPC
Prof., Dept. of Medicine, (Chair) Div. of Cardiology, Queen’s University; President-Elect, CMA

Jeffrey Sloan, MD, CCFP
Prof., Dept. of Family Medicine, Queen’s University; Family Physician, Richmond Medical Centre, Napanee, ON (Planning Committee)

Chris Smith, BSc, MBBS, FACP
Assoc. Prof., Dept. of Medicine, Div. of General Internal Medicine, Queen’s University

Karen Smith, MD, FABEM, FCRM, FRCPC
Assoc. Prof., Deps. of Physical Medicine and Rehabilitation and of Pediatrics; Associate Dean, Continuing Professional Development, Queen’s University (Planning Committee)

Jennifer Valberg, BComm, BA
Admin. Asst. to the Head, Dept. of Medicine, Queen’s University (Planning Committee)

Stephen Vanner, MD, FRCPC
Prof., Deps. of Medicine, Div. of Gastroenterology and of Biomedical and Molecular Sciences, Queen’s University (Planning Committee)

Raymond Viola, MD, MSc, CCFP, FCFP
Assoc. Prof., Deps. of Medicine, Div. of Palliative Care and of Family Medicine, Oncology and of Public Health Sciences, Queen’s University

Phillip Wattam, MD, FRCPC
Asst. Prof., Dept. of Medicine, Div. of General Internal Medicine; Asst. Dean, Distributed Medical Education, Queen’s University

Jeffrey Wilkinson, MD
Chief Resident, Internal Medicine, Dept. of Medicine, Queen’s University

The program will start with a short introductory lecture covering extra details around each procedure, after which participants will break into four groups of 10. Each group will rotate through each 40 minute hands-on skill station, where everyone will have time to practice the procedural techniques with guidance from an expert clinician. Registration is limited to 40 participants.

This program is supported by the Iyengar Professorship Endowment

PROGRAM AGENDA

12:00 Registration & Lunch
12:30 Introduction and Overview – Dr. Dan Curran
1:00 Workshop 1
1:40 Workshop 2
2:20 Nutrition Break
2:50 Workshop 3
3:30 Workshop 4
4:10 Question and Answer Session
4:30 Program Close

Procedural Skills Workshops:

• Ingrown Toenails: up-to-date surgical management – Dr. David Barber
• Endometrial Biopsy – Dr. Ian Sempowski
• Management of Epistaxis – Dr. Russell Hollins
• Excising Skin Lesions – Dr. John Davidson

PROGRAM FACULTY

David Barber, MD, CCFP
Assistant Professor, Department of Family Medicine, Queen’s University

Dan Curran, MD, CCFP
Assistant Professor, Department of Family Medicine, Queen’s University; Family Physician, Thomas St. Clinic, Napanee, ON (Planning Committee)

John Davidson, MD, BSc, MSc, FRCSc
Associate Professor, Departments of Surgery, (Chair) Division of Plastic Surgery and of Otolaryngology, Queen’s University

Russell Hollins, MD, FRCSc
Head and Assistant Professor, Department of Otolaryngology, Queen’s University

Robert McGraw, MD, FRCPC
Associate Professor, Department of Emergency Medicine, Queen’s University; Co-Director, Health Sciences Simulation Lab (Planning Committee)

Ian Sempowski, MD, CCFP
Associate Professor, Department of Family Medicine, Queen’s University

Karen Smith, MD, FABEM, FCRM, FRCPC
Associate Professor, Departments of Physical Medicine and Rehabilitation and of Pediatrics; Associate Dean, Continuing Professional Development, Queen’s University (Planning Committee)

CREDITS

This event is an Accredited Group Learning Activity as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, and approved by the Office of Continuing Professional Development, Queen’s University for up to 3.5 Section 1 credits. This program meets the accreditation criteria of the College of Family Physicians of Canada and has been accredited for 3.5 CPUE MAINPRO-M1 credits.
