

CTU-K Guidelines

CTU-K is an acute medical teaching service with an Attending and 2 residents (mostly seniors)

The following guidelines apply to CTU-K:

- Cap 20 patients
 - Attending may increase cap at their discretion
 - During certain blocks, juniors are present and cap may be increased to ~24
- D4 admissions accepted
- ICU transfers to C3 accepted
- Ideally Extra ER admits overnight
- NO Holdovers
- Bedspaced to Connell 3, Kidd 7
- Care navigator: Vicky McCreary (shared with Neurology)
- Bouncebacks accepted within the same resident block (as per CTU A-D), even when team at cap
- Covered overnight by Non-take resident
