

GIMRC Referrals Tips for IM Seniors in ED

- ERP to speak directly with IM Attending on-call regarding facilitating urgent GIMRC visit
 - If on-call Attending is not GIM, please contact CTU-E Attending
- Urgent referrals cannot be seen within 1-2 weeks
 - Generally seen within 1 month
- All new referrals are triaged according to urgency with wait times up to 12-18 months
- GIM is not able to provide primary care services
- GIM is not able to see patients simply for ED results follow-up (eg imaging, bloodwork)
