

DERMATOLOGY LOCUM OPPORTUNITY

Kingston, Ontario

The Division of Dermatology within the Department of Medicine at Queen's University is seeking locum coverage to augment the team. The Division of Dermatology provides specialist clinical care to a large catchment area at Kingston Health Sciences Centre.

The locum term is negotiable, with a start date as soon as possible preferred. The locum will provide clinical care in general dermatology, through dermatology outpatient clinics and the dermatology in-patient consultation service. Queen's University and its affiliated hospitals may expect the successful candidate to teach and supervise medical students and postgraduate physician trainees.

Remuneration will be via fee-for-service billings. Candidates must be eligible for licensure in Dermatology by the College of Physicians and Surgeons of Ontario for Independent Practise.

If interested, please forward a copy of your CV and cover letter to: Mr. Joel Gillis medicine@queensu.ca.
