

LOCUM IN HEMATOLOGY

Kingston, Ontario

Queen's University is seeking interested candidates to join our Division of Hematology, in the Department of Medicine for temporary locum coverage, from July 1, 2020 until March 1, 2021. The Division of Hematology provides 24/7 coverage to an ambulatory and inpatient consultation service at the Kingston Health Sciences Centre, which includes a 449-bed tertiary care academic hospital at the Kingston General Hospital site and outpatient clinics in General Hematology and specialty clinics at Hotel Dieu Hospital site. Locums will provide clinical care through the activities of the Division of Hematology, which also includes on-call in conjunction with the Division. Queen's University and its affiliated hospitals will expect the successful applicant to teach and supervise medical students and postgraduate physician trainees. A highly competitive remuneration is provided and candidates must be eligible for licensure in the Province of Ontario (CPSO).

If interested please forward a copy of your CV and cover letter to: Ms. Barbara Davison
