Welcome to the Internal Medicine Residency Program!

From the Program Directors

We would like to extend a warm welcome as you become members of the Queen's University Core Internal Medicine Residency Training Program. The Queen's Internal Medicine (QIM) Program is focused on fostering clinical excellence through the provision of high-quality patient care and education. You can count on us to ensure that the QIM program continues to improve in terms of quality while supporting and adapting to the needs of our residents.

We look forward to seeing you at noon rounds, sign-in rounds, and Academic Half-day teaching sessions. Over the next few weeks, you will be receiving a great deal of orientation material and advice from many sources. If we can be of any help in your transition to residency, please do not hesitate to contact us. We look forward to meeting you.

Your successful clinical training and well-being are important to us, and we are here to support you.

Wishing you a great start to residency,

Stephen Gauthier Program Director sg54@queensu.ca	Sara Awad Associate Program Director sara.awad@kingstonhsc.ca	Bikram Sidhu Associate Program Director bss5@queensu.ca	Marie Leung Associate Program Director marie.leung@queensu.ca
			

From the Chief Medical Residents

Hi Everyone,

Welcome to Internal Medicine at Queen's, we're really excited to have you with us in Kingston. For the 2023-2024 year, we will be your Chief Medical Residents (Heather Derocher, Rana Kandel, Susan Thanabalasingam, and Sasha Zarnke). Please feel free to come to us with any questions or concerns you may have, both at the beginning and throughout your year. Queen's has a long-standing reputation for collegiality and we hope you will quickly find that to be true.

Our contact information is below, and we are always happy to hear from you whether it's regarding patient care-related issues or where you can find the best craft beer or brunch. We work closely with the administration to help voice the resident opinion (either by direct communication or through our monthly town hall meetings), create the schedules (call schedule, Sign-In Rounds, JAMA rounds etc.), approve call stipends and deal with any daily issues that come up. There is always one of us assigned to be "Chief on Call", which means we are accessible anytime day and night via switchboard. Chief on Call will manage the Chief Medical Resident email account, be in charge of activating jeopardy or arranging call coverage and is generally the point person for that week.

You can email us at queensimcr@gmail.com or text us with any concerns or questions you may have. If you are unwell and cannot come into work, we ask that you email us, Emily Barnes and your attending. If you have questions regarding scheduling or vacation, again emailing us and Emily is a good start. Any program related issues, please reach out to Hayley Stitt and CC us if you feel it's relevant. EPA or educational issues can be directed towards Miriam Bowen.

We look forward to working with you and getting to know you!

Heather Derocher

From the Administration

Welcome to the program!

Our goal in the office is to assist you with all administrative functions of residency and to help you navigate the various systems at Queen's. Our doors are always open for any question or issue, so please drop by and say hi!

Each one of us has a specific role to play in the program, but if you are unsure whom you should contact, don't be shy about reaching out to any one of us and we'll point you in the right direction. If we can't answer your question, we will endeavour to either find it for you or re-direct you to a source that we know can help.

Please note our office hours are Monday to Friday between 8:00 a.m. to 4:00 p.m. Our office is located on the third floor of Etherington Hall in room 3022.

We hope to make things run as smoothly as possible while you are with us. If you require any further assistance please contact Hayley at improg@queensu.ca , Emily at gimsched@queensu.ca or Miriam at mb301@queensu.ca

All the best,

Hayley Stitt

Kingston, Ontario K7L 3N6

Telephone: (613) 533-6000 Ext 78453

Email: regional@queensu.ca

Website: http://meds.queensu.ca/education/regional_education

The Regional Education office provides postgraduate medical learners with accommodation, travel reimbursement, pagers, phones, and high-speed Internet connection while they are completing mandatory rotations outside of Kingston in Southeastern Ontario.

Upon completion of a core regional rotation please use the following link for travel reimbursement:

http://meds.queensu.ca/education/regional_education/travel_reimbursement

PGME Wellness

70 Barrier Street

Kingston, Ontario, K7L 3J7

Telephone: (613) 533-2543

Office Hours: Monday to Friday: 9:00am-4:00pm

Email: postgradwellness@queensu.ca (Dr. Melissa Andrews)

Website: <https://www.queensu.ca/studentwellness/>

The Postgraduate Wellness Office is a valuable resource for residents and clinical fellows. It provides a variety of services for learners including: transitioning from undergraduate to postgraduate medicine, informing residents about their rights in academic matters, counselling support etc. They are also able to assist in appointment referrals or prescriptions if you do not have a local family doctor.

Administrative Information

Communication with Program & Peers

Email

Our primary way of contacting you will be through your **Queen's email address**; please check your account regularly or set up email forwarding to your primary email account. You will also be provided with a KHSC email account for your clinical work, again please make sure to check this regularly as well for hospital updates.

Mail

Each resident has a **mailbox** in the QIM Office (Etherington Hall, Room 3022) and you should be checking your mailbox on a monthly basis. Often our office is the address listed under your contact information on the CPSO website, so we often receive important mail for residents such as medical journals, cheques, and patient information.

Remote Education Sessions

Our program has been using **Microsoft Teams (MS Teams)** and **Zoom** to facilitate online learning environments for residents.

Please set yourself up in **Microsoft Teams** using your Queen's email address. You will be receiving an invitation from Rachel to join our online community for access to Academic Half-Days. A separate email will be sent with instructions on how AHDs run.

If you don't have one yet, please also take the time to [create a Zoom account](#) for yourself. Under pandemic restrictions, many of the Department of Medicine events and PGME events are being hosted remotely on this platform.

Website

Our website can be found at: <https://deptmed.queensu.ca/academics/core-internal-medicine-residency-program>

You will find lots of useful information here, including links to:

- **Elentra** (<https://elentra.healthsci.queensu.ca/>)
 - Elentra is the portal used to manage your CBME assessments and evaluations. If you are new to Elentra, there are several useful modules to get yourself acquainted.

- Evaluations for rotations, faculty, and academic half-day sessions are distributed through Elentra.
- **QIM Elentra Community** (<https://elentra.healthsci.queensu.ca/community/imresidents>)
 - This is where the call schedules, educational documents, various forms and program policies are housed in a password-protected environment.
 - To log in, you will need to use your NetID from Queen's.
- **Schedules** (<https://deptmed.queensu.ca/academics/core-internal-medicine-residency-program/general-program-information#schedules>)
 - Master Rotation Schedule
 - Call Schedules
 - CTU Attending Schedule
 - CTU Take Schedule
- **Rotation Specific Objectives** (<https://deptmed.queensu.ca/academics/core-internal-medicine-residency-program/current-residents/rotation-objectives-policies>)

Teaching Sessions

You are expected to attend the following teaching sessions.

<https://deptmed.queensu.ca/academics/core-internal-medicine-residency-program/general-program-information#schedules>

DAY	TIME	EVENT	LOCATION	NOTES
Monday	12:00 – 1:00 PM	Sign-In Rounds	Richardson Labs (Room 104)	Lunch is provided
Tuesday	12:00 – 1:00 PM	Sign-In Rounds	Richardson Labs (Room 104)	Lunch is provided
Wednesday	8:00 – 9:00 AM	Medical Mortality Rounds	Etherington Auditorium	M&M Rounds will resume in September
	1:30 – 4:30 PM	Senior Academic Half Day	Online via Zoom / Richardson Lab 104	
Thursday	7:45 – 8:45 AM	Medical Grand Rounds	Etherington Auditorium	MGR will resume in September
	12:30 – 1:30 PM	Sign-In Rounds	Richardson Labs (Room 104)	Thursday SIRs will resume in August – Lunch will be provided July & August only
	1:30 – 4:30 PM	Junior AHD (PGY-1s ONLY)	Zoom/Richardson (Lab 104)	
Friday	12:30 – 1:30 PM	Sign-In Rounds	Zoom/Richardson (Lab 104)	Lunch is provided

Which Admin Team member should I contact?

Contact Hayley (improg@queensu.ca) about:

- CaRMS
- Conference funding & expense submission
- Educational and social events
- Questions regarding PGME or program operations
- Program Director's (Dr. Gauthier) calendar
- Room bookings for teaching sessions
- Rotation schedule

Contact Emily (eb144@queensu.ca) about:

- Call Schedules & GIM clinics
- Elective tracking & letters of good standing
- Time-off requests

Contact Miriam (mb301@queensu.ca) about:

- Academic Half-Day and Sign-In Rounds schedules maintenance and reminders
- Assessments & evaluations
- Elentra
- Feedback Session questions & scheduling
- OneNote learning plans

Electives Rotations

When applying for an Elective rotation, all residents are required to submit an [Elective Request Form](#) to Emily Barnes in the QIM office. This form should be submitted **at least 4 weeks** (1 block) prior to the start of the Elective Rotation. The QIM office will then issue a Letter of Good Standing. We will distribute the proper assessment form once we have received the full name & email address of your Elective Supervisor.

Selective or Research Rotations

All research rotations require approval from Dr. Gauthier (Program Director); residents are required to submit a [Research Proposal Form](#) **at least 4 weeks** (1 block) prior to the start of the Research Rotation. If a resident is choosing a clinical selective rotation, they must inform both Emily and Geneviève in the QIM Office which department they will be working with **at least 4 weeks** prior to the start of the Selective Rotation. If residents fail to submit their Research Proposal 4 weeks in advance of the rotation, they will be scheduled automatically on a clinical rotation.

All residents who complete a Research Rotation must present at Resident Research Day which will take place in May 2023. These presentations may be Podium Presentations or Poster Presentations.

Conference Funding

If you are requesting funding for presenting at a conference, you must submit a [Conference Funds Request Form](#) **at least 4 – 6 weeks prior to the conference** for funding approval. This form must be submitted to Geneviève in the QIM Office. Geneviève will follow up to confirm what amount of funding you are eligible to receive.

For reimbursement of funds, you will need to submit the following to Geneviève within 30 days of your return to Kingston:

- All electronic receipts

- Proof of attendance (name badge or certificate of attendance/participation)
- All boarding passes (either electronic or physical paper)
- Copy of the agenda/program from the event

Resident Responsibilities

If you require a switch in calls, **it is your responsibility** to find a resident to switch calls with. Once you have found someone, you are to notify Emily who will update the call schedule, your senior residents on the team, **and** the Chief Medical Residents. If you find someone to take your call shift, it is courteous of you to take one of theirs. We expect that you would trade a weekend shift for a weekend shift and a weekday shift for a weekday shift in return.

If you are sick, please immediately contact the Chief Medical Residents, Emily, **and** your senior/attending on service.

If you are sick and not available for a call, **it is your responsibility** to find a resident to switch calls with. Once you have found someone, you are to notify Emily, who will update the call schedule accordingly, your senior residents on the team, **and** the Chief Medical Residents. In the event you are unable to find someone who is able to switch with you, please contact Emily and the Chief Medical Residents as soon as possible for assistance.

Academic Advisors

All first-year residents will be paired up with an Academic Advisor (AA) who will serve as their coach and mentor throughout their three years in the Core Internal Medicine Residency program. Rachel O'Dell from the QIM Office will reach out to connect residents with their Academic Advisors within the first month of residency. Rachel will send reminders throughout the year of when you should be meeting with your AAs, but it is the responsibility of the resident to organize these meetings.

First Day of a Rotation

Where to go on your first day of a rotation:

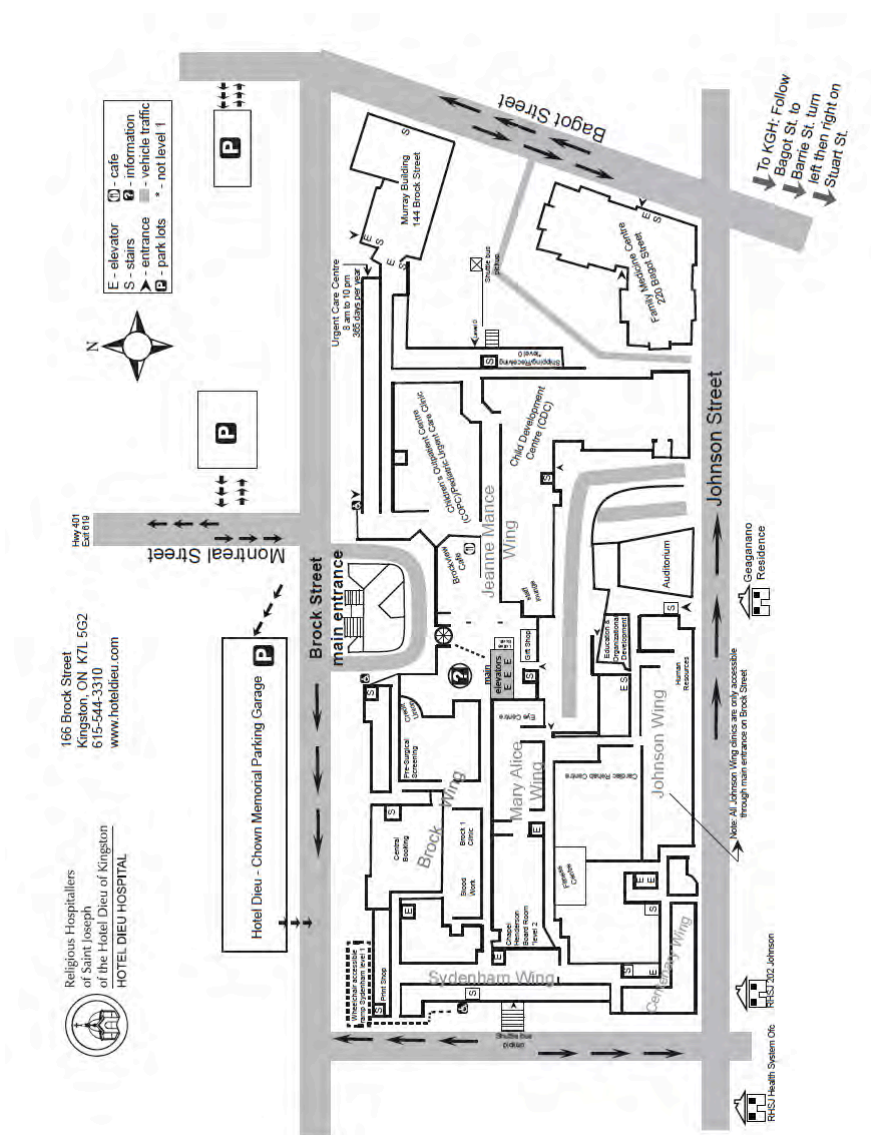

Service	Contact	Extension & Email	Where to Report
Allergy & Dermatology	Danielle Simpson	613-544-3400 ext. 3328 danielle.simpson@kingstonhsc.ca	You will receive an introductory email a few days prior to the start of your rotation

	Anna Deriusheva	(613) 544-3400 ext.3669 dermatology@kingstonhsc.ca anna.deriusheva@kingstonhsc.ca anna.deriusheva@queensu.ca	
CTU	Chief Medical Residents	queensimcr@queensu.ca	Feel free to meet with the chief resident at 7:30 am at Connell 9 Nursing station if you have any questions prior to starting your rotation. Page the chief in charge or email us if no one is there to meet you. Otherwise, you can report to your team room at 8 AM to meet your senior resident (CTU A+B on Connell 10 and CTU C+D on Connell 9).
CARDIOLOGY CONSULTS	Harneet Kaur	613-217-2799 hk75@queensu.ca	Report to (Kidd 3 AB conference room at 08:00)
CARDIOLOGY WARDS	Harneet Kaur	613-217-2799 hk75@queensu.ca	Report to (Kidd 3 AB conference room at 07:45)
CARDIOLOGY CSU	Harneet Kaur	613-217-2799 hk75@queensu.ca	Report to (Kidd 3AB conference room at 07:30)
CRITICAL CARE MEDICINE	Lara McKinlay	criticalcaremedicine@queensu.ca	Report to the Davies 2 Conference Room (22.2.350) to meet Jason Erb at 7:45 a.m. for junior resident orientation or contact Lara for more information.
EMERGENCY MEDICINE	Mary Lee	mary.lee@kingstonhsc.ca	You will receive an introductory email a few days prior to the start of your rotation
ENDOCRINOLOGY	Hayley Stitt	endocrinology@queensu.ca	You will be sent a resident orientation manual a week before your rotation, please review it. You will also be sent a Zoom link for an orientation meeting with the PD or Senior resident schedule at

			8:20am. You will then attend a clinic, which will be noted in your Block schedule provided by the PA.
GASTROENTEROLOGY	Rachel Lacelle	(613) 549-6666 ext. 4320 rachel.lacelle@kingstonhsc.ca	KGH Douglas 1, Endoscopy Unit, or page GI fellow on service via KGH Switchboard. Clinics are at HDH, go to Johnson 4 or contact Brenda DeLonghi
GERIATRICS	Andrea Semple	(613) 544-4900 ext. 53331 geriatricmed@providencecare.ca	Providence Care Hospital (PCH), 752 King Street West at 8:15am. You will receive an email about your orientation
HEMATOLOGY WARDS/CONSULT	Michelle Svajina	(613) 533-6329 hemeprog@queensu.ca	You will receive an introductory email a few days prior to the start of your rotation. Meet on Kidd 9 (Heme side) at 8:30 on first day of the rotation. Otherwise, page senior resident on service via switchboard
INFECTIOUS DISEASES	Dori Silver	613-533-6619 ds95@queensu.ca	Contact info forwarded prior. If not received, contact Dori. Otherwise, contact senior resident. Start 8:30am
MEDICAL ONCOLOGY & RADIATION	Mallory Walker	(613) 544-2631 ext 6647 OncEdCoord@kingstonhsc.ca	Instructions as per the introductory email
NEPHROLOGY	Jessica Newton	(613) 549-6666 ext. 7306 nephro@queensu.ca jessica.newton@kingstonhsc.ca	KGH Renal Unit Burr 3 Renal Unit Conference Room (21.3.035) at 8:30 a.m. on first day
NEUROLOGY	Michelle Wolfreys	(613) 549-6666 ext. 4320 neuroprog@queensu.ca	KGH Kidd 7 Nursing Station at 8:00 am
PALLIATIVE CARE	Ruili Fang	(613)549-6666 ext.3223 Ruili.Fang@kingstonhsc.ca	Report to 34 Barrie Street at 8:00 am
RESPIROLOGY	Hayley Stitt	respirology@queensu.ca	An orientation package will be circulated before the start of your rotation, please review it. You will meet on the first day with the fellow on the

			service, typically at 08:30 in Kidd4AB. Please contact the on-call Respiriology fellow to confirm meeting location the morning of the first day.
RHEUMATOLOGY	Holly Shea	613-533-2971 sheah@queensu.ca	Program Administrator will contact incoming residents with orientation day schedule
